

TILNEY ALL SAINTS PARSIH COUNCIL

Parish Clerk's Report September 2025

BT Box Repairs.

Repairs to reglaze the BT Box to be undertaken by Cllrs Hodgson, Laughton and Pitt as soon as a date could be arranged. Replacement glazing units held by Cllr Laughton.

July 2025: Advised unlikely this work would be completed over the Summer as unable to agree a date when all councillors would be available.

Bus Stop Posts

Three new bus stop post were requested from Highways by the previous Clerk for Tilney All Saints/Eau Brink

CCTV Cameras – Millennium Green Car Park.

Since departure of the previous Clerk back in March 2025 the Parish Council has had no access to the existing CCTV cameras due to the SIM card contract being cancelled as this had been set up under the Clerk's personal account.

Purchase of new 4G SIM cards and contract to be set up in the name of the Parish Council and payment made from the council's bank account have been unsuccessful due to incorrect contact information for the parish Council being held by the credit check company (Experian) used by Vodafone. Repeated requests have been made to Experian to update their records without any response. Vodafone will not set up new contract until this has been rectified. Vodafone SIM cards were originally used as research showed they provided the strongest 4G signal in the car park area, which had proven to be sufficient.

Purchase and installation of an additional CCTV camera to cover the rear of the car park has been approved, but installation can not go ahead until SIM cards are held.

Matter to be an agenda item at the September meeting for discussion/agreement on the way forward.

Church Road – Overgrown Hedge.

County Council contacted regarding overgrown hedge opposite 57 Church Road

GPO Cabinet – Shepherdsgate Road

Openreach have been contacted about removal of the old GPO box, located on Shepherdsgate Road, which has possibly been decommissioned. Awaiting response.

Millennium Green – Dead Oak Tree.

Agreed at the July meeting that Cllr. Barley was to investigate this.

Millennium Green - Relocation of Dog Waste Bin.

This work had now been completed by the Handyman.

Millennium Green – Maintenance of Willow Tree at Car Park Entrance.

Work has been undertaken in July 2025 on the willow tree located within the school grounds by the school's contractors.

Branches still over hanging the Church Road footpath and entrance to the car park.
Some of the smaller overhanging branches have been cut back by Cllr Laughton.

Millennium Green – Fencing between Millennium Green Car Park and Primary School Staff Car Park.

The rotten posts and hanging wires on the school fencing has been referred to Highways to investigate replacement.

There is some dispute as to who is responsible for the fencing, Highways or the school.
This is still being discussed. Council to be advised once definite answer available.

Millennium Green – Replacement Fencing.

Work to replace the fencing along edge of the Millennium Green car park has been completed in July 2025.

Millennium Green – Overgrown Dog wood Bush

The overgrown dog wood bush between the car park and the Millennium Green has now been cut back by the grounds contractors.

Shepherdsgate Road – Litter.

Litter problem reported in June 2025.

Serco due to have completed work in July.

Street Name Plates.

Replacement Street Name Plates (SNP) were requested back in May 2025 for the Glebe Estate and Church Lane at its junction with Church Road.

Replacement SNPs requested in July 2025 for Lynn Road, School Road x 2 and Shepherdsgate Road.

Telephone Poles – School Road.

Openreach contacted in June 2025 about replacing the rotting backstays on telephone poles along School Road. Response awaited.

Verges – Church Lane

BCKLWN have confirmed in June 2025 they have instructed contractors to undertake this work.

Verges – Church Road

Narrowed footpaths due to overgrown vegetation reported to Highways. July 2025.

Website Accessibility Check.

NALC instructed to undertake check. Payment was made on 15th July 2025.

Awaiting report/confirmation from NALC accessibility check completed and website Accessibility Statement is correct and up to date.
